

# 30TH ANNIVERSARY MEGA SALE

1300 667 222 36 Yale Drive, Epping VIC 3076 Fax 03 9401 2233

A lot can change in 30 years, but ever since NorCab first opened its doors in 1980 one thing has remained the same: we deliver quality electrical gear at competitive prices. And we couldn't have done it without our loyal customers' support.

As a way of saying thank you, we're giving away 1 free quality cable or conduit tool to each customer who places an order worth over \$500 before October 31. New customers are welcome! This little bonus is on top of our usual swag of super low prices on electrical cable, switches, lighting and electrical accessories.

NorCab remains proudly independent and dedicated to sourcing the right products for tomorrow's Australian market. Meanwhile, I look forward to hearing from you today!
